

OWNER BUILDER WARRANTY PROPOSAL FORM

B.I.S. P/L

IMPORTANT NOTICE

OWNER-BUILDERS WARRANTY POLICY

The policy is established to meet the requirements of the current legislation. The policy, subject to its terms and conditions, provides cover **to the purchaser** of a property in respect of owner-builder work, for loss or damage during the Period of Insurance which results from breach of the implied warranties and other benefits as defined in the event of the death, disappearance or insolvency of the owner builder.

NON-DISCLOSURE

It is vital that before you complete your proposal form and before you sign the declaration that there has been no change in the information disclosed. Please take notice of the following statement pursuant to provisions of the Insurance Contracts Act 1984.

YOUR DUTY OF DISCLOSURE

Before you enter into a contract of general insurance with an Insurer, you have a duty under the Insurance Contracts Act 1984 to disclose to the Insurer every matter that you know, or could reasonably be expected to know is relevant to the Insurer's decisions whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of a matter:-

- that diminishes the risk to be undertaken by the Insurer;
- that is of common knowledge;
- that the Insurer knows or, in the ordinary course of its business, ought to know;
- as to which compliance with your duty is waived by the Insurer.

(It should be noted that this duty continues after the proposal has been completed up until the policy is entered into, ie the date the Insurer receives your acceptance of the quote).

SURRENDER OR WAIVER OF ANY RIGHT OF CONTRIBUTION OR INDEMNITY

Where another person or company would be liable to compensate you or hold you harmless for part or all of any loss or damage otherwise covered by the policy, you **MUST NOT** agree with that person either before or after the inception of the policy that you would not seek to recover any loss or damage from that person.
